Subject: New FOIA Litigation -- Southern Environmental Law Center v. U.S. EPA

This FOIA litigation, filed 8/23/17, concerns a multi-part FOIA request for information related in any way to Executive Order 13777, Enforcing the Regulatory Reform Agenda, and the execution or implementation of this Executive Order and Regulatory Reform Task Forces. The request was filed with multiple EPA Offices and Regions but was centralized in the Office of Policy, where the Office and the FEAT worked to clarify the request; however, no response had been provided at the time of the suit. The litigation is in the Western District of Virginia, Charlottesville Division. The FOIA is currently assigned to the Office of the Administrator, Office of Policy.
